

LG Escape (p870) Battery Replacement

This guide will show you how to remove/replace the battery on an LG Escape (p870).

Written By: Brad

Step 1 — Battery

- Turn the device over and pull the back plastic cover off by inserting your fingernail into the opening at the bottom of the phone and gently pulling.

Step 2

- With your finger and from the bottom edge, lift the battery out of the phone and set it aside.
- You now have access to:
 - Your SD card
 - Your SIM card
 - Your device's serial numbers

To reassemble your device, follow these instructions in reverse order.
